HEAT TREATMENT PREPARATION CHECKLIST

Thank you for choosing Capital K9 Pest Solutions to help resolve your bed bug issue.
Your cooperation is essential for success.

Please take as few items with you as possible. Removed items will need to be treated with an alternate process.

- Take your wallet and keys but leave purses, backpacks, diaper bags, children's toys, briefcases, *etc.*
- Dry the clothes you will wear on the treatment day on high heat for 30 minutes and seal in a plastic bag.
- Don't sit on infested furniture before leaving the residence on the day of treatment.
- Have vehicles treated if possible on the same day as the heat treatment.
- If you are taking a pet cage with you, leave the pet bedding in the residence.
- Scrub/brush your shoes prior to re-entering residence and use sticky lint rollers on your clothing.
- Dry the clothes you wore on the treatment day on high heat for 30 minutes upon return to residence.
